Single Plan for Student Achievement

School: Baker High School

District: Baker Valley Unified School District

County-District School (CDS) Code: 36-73858-6109193

Principal: Ronda Tremblay

Date of this revision: October 11, 2017

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California *Education Code* sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

Form A: Planned Improvements in Student Performance

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index and adequate yearly progress growth targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

Goal #1: English Language Arts

LCAP GOAL: 1) Support and enhance student achievement and educational opportunities for all students, including ELs. 3) Build literacy skills for all students and enhance pupil literacy appreciation. 11) Successful implementation of State Standards.

SCHOOL GOAL #1: By the conclusion of the 2017/18 school year, we want to increase ELA scores, school-wide, to 20% of students meeting or exceeding standards on CAASPP.

What data did you use to form this goal?	What were the findings from the analysis of this data?	How will the school evaluate the progress of this goal?
<ul style="list-style-type: none"> CAASPP Data, including EAP data CELDT data Local ELA assessments and student grades 	<ul style="list-style-type: none"> School: 13% met or exceeded the standard on the CAASPP 2017. 8th grade: 25% met or exceeded the standard 7th grade: 8% met or exceeded the standard 6th grade: 10% met or exceeded the standard 	<p>The teachers through Professional Learning Communities for individual students will analyze formative and summative assessments, by class, and by grade level for academic gains in ELA.</p> <p>Where can a budget plan of the proposed expenditures for this goal be found?</p> <p>Form B: Centralized Services for Planned Improvements in Student Performance (Page 19)</p>

Strategy: The teachers will focus on improving reading levels of students and assist them to meet the California Common Core State Standards.

Action/Date	Person(s) Responsible	Task/Date	Cost and Source
Continued emphasis on ELA instruction completely aligned with the Common Core State Standards in all grades.	English Teacher, Principal	The teachers will ensure that all instructional activities are aligned to CCSS standards and SDAIE teaching strategies are used to scaffold learning for all students. (Throughout the year)	None

Action/Date	Person(s) Responsible	Task/Date	Cost and Source
Increased emphasis and focus on College and Career Readiness Anchor Standards in all grades.	English Teacher, Principal	Teachers would focus on lesson planning with emphasis on Unit by Design in order to align them with the CCSS and CCR standards. (Throughout the year)	None
Enhance professional development for teachers and develop a process to share these strategies with a systematic implementation plan.	English Teacher, Principal	Teachers will use the professional development template and share the highlights of the trainings they attend so all staff may benefit from them. A plan to implement and monitor these strategies will be place. (Throughout the year)	None
Continue to use performance-based instruction in all grades.	English Teacher, Principal	Teachers would enhance the lessons with the frequent use of performance-based activities and focus on increasing students' critical thinking skills. They will use Depth of Knowledge level of questioning for the assessments to determine their mastery. (Throughout the year).	None
Teachers will use the PLC time to plan and discuss the implementation of various strategies.	English Teacher, Principal	Teachers will meet during the PLC time every two weeks to discuss and plan various teaching strategies teachers tied to student achievement and progress. (Twice Monthly)	None
The Principal would conduct clinical observations to ensure that students receive standards based instructions.	Principal	Principal will use the knowledge and skills gained in materials-based training to ensure full implementation of the CCSS ELA adopted programs and instruction of the grade level content standards. (Throughout the year)	None
Consistent monitoring of the student's progress will be done using Engrade, the online grading system and inform students and parents about their progress.	English Teacher, Principal	Inform the student about the academic standards and expectations at that beginning of each unit of study. (Every three to four weeks)	\$700 from Unrestricted General
Design effective assessments to gauge student learning and provide support as needed to students who may struggle with concepts.	English Teacher, Principal	Twice Monthly Continue to use professionally acceptable assessment strategies that align to essential standards so that there is grade level and school coherence and consistency.	None

Action/Date	Person(s) Responsible	Task/Date	Cost and Source
Support student learning by providing avenues for them to recover credits and help them receive their high school diploma.	English Teacher, Principal	Provide credit recovery classes for graduation as needed for identified students through Odysseyware Online classes. Students can use this class to accelerate their learning or to recover credits as needed. (Throughout the year)	\$12,000 from Unrestricted General
Provide instruction to small groups of students.	English Teacher, Principal	Continue to provide daily small group targeted instruction by grade level based on student's instructional need. (Throughout the year)	None
Plan intervention strategies based on students' reading levels.	English Teacher, Principal	Determine the needs of students reading below 6 th grade level to create an appropriate intervention program to meet their needs. (Throughout the year)	None
Increase collaboration among disciplines to integrate CCSS standards and make the content relevant to student learning.	English Teacher, Principal	Maximize and improve integration among disciplines to provide students with cross-curricular learning opportunities. Teachers would use their PLC time to plan collaborative units, which would integrate the CCSS standards. (Throughout the year)	None
Continue to provide county training to the ELA teacher in the latest developments related to the CCSS.	English Teacher	Professional development about the most recent educational trends would benefit the students by providing them exposure. (Throughout the year)	\$4000 LCFF
Improve students' academic performance by providing extra time after hours to support their learning.	After school tutoring teacher	Provide opportunities to the students to enhance their skills by supporting their learning during the after school program. (Throughout the year)	\$1000 LCFF
Continue to provide parents with information on grade level standards and expectations for learning in parent's language.	English Teacher, Principal	Hold special assemblies for parents and inform them about Common Core State Standards expectations and the manner in which they may be able to support their student at home.	None
Improve and encourage parental and community involvement in the refinement and revision of the school's statements and SPSA.	High School Teachers, Principal	The SSC meetings would other assemblies would be used to inform parents about the revisions needed to be made to the SPSA and provide them the opportunities to provide feedback to this process. (Four times a year).	None

Action/Date	Person(s) Responsible	Task/Date	Cost and Source
Improve parental access to the Engrade grading system by providing access to computers and training on how to access the system.	High School teachers, Principal, Office personnel	The teachers would use Back-to-school-Night and parent teacher conferences to inform parents about the online grading system and provide them access to their students' grades.	\$700 from Unrestricted General
Improve communication with local businesses regarding student work eligibility.	Principal, Office personnel	The office will use work permits to inform businesses about students' grades and their eligibility requirements for applying for work. (October to May 2017).	None
Send home student assessment results in a timely manner including CELDT and CAASPP test results, report cards and ongoing assessment results in parent's language and in a format that is easily understood by parents.	High School teachers, Principal, Office Personnel	Parents would receive frequent updates regarding the assessment results of their student and all CAHSEE and CELDT test scores would be released to them in a timely manner. (Quarterly).	None
Use the School Site Council meetings to share ongoing student progress in ELA (assessment data) and discuss what needs to be implemented to make greater progress.	Principal, SSC Members	Ongoing discussions on the existing programs and researching the need for new programs to enhance student achievement would be the focus of these meetings. (Quarterly)	None
Familiarize the students with the 21 st Century skills and themes needed to meet the demands of the global economy.	All teachers, Principal	The lessons would be focused on the preparing the students with the 21 st Century skills and themes so that they can meet the demands of the colleges and careers they pursue. Emphasis would be on the global themes and integration of disciplines in order to make the content relevant to them. (Throughout the year)	None
Continue to use the CAASPP and local assessment results to make instructional decisions for each student in ELA.	All teachers, Principal	Monitor students progress every quarter and ensure students are supported with the necessary skills needed to succeed.	None

Goal #2: Mathematics

LCAP GOAL: 1) Support and enhance student achievement and educational opportunities for all students, including ELs. 11) Successful implementation of State Standards.

Form C: Programs Included in this Plan

Check the box for each state and federal program in which the school participates. Enter the amounts allocated for each program in which the school participates and, if applicable, check the box indicating that the program's funds are being consolidated as part of operating a schoolwide program (SWP). The plan must describe the activities to be conducted at the school for each of the state and federal programs in which the school participates. The totals on these pages should match the cost estimates in Form A and the school's allocation from the ConApp.

Note: For many of the funding sources listed below, school districts may be exercising Categorical Program Provisions options (flexibility) with information available at <http://www.cde.ca.gov/fg/ac/co/documents/sbx34budgetflex.doc>.

Of the four following options, please select the one that describes this school site:

- ☐ This site operates as a targeted assistance school (TAS), not as a schoolwide program (SWP).
☐ This site operates a SWP but does not consolidate its funds as part of operating a SWP.
☐ This site operates a SWP and consolidates only applicable federal funds as part of operating a SWP.
☒ This site operates a SWP and consolidates all applicable funds as part of operating a SWP.

Form E: Recommendations and Assurances

The school site council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

Signature/Date

☐ State Compensatory Education Advisory Committee

☒ English Learner Advisory Committee

☐ Special Education Advisory Committee

☐ Gifted and Talented Education Advisory Committee

☐ District/School Liaison Team for schools in Program Improvement

☐ Compensatory Education Advisory Committee

☐ Departmental Advisory Committee (secondary)

☐ Other committees established by the school or district (list)

☐ Other committees established by the school or district (list)

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on: 10/24/17.
