## **WELCOME LETTER**

### **Baker Jr. High School Baker Valley Unified School District**

72100 School House Lane, Baker, CA 92309 (P.O. Box 460)

PHONE: (760) 733-4567 FAX: (760) 733-4605

Welcome back to the 2015-2016 school year. We are excited and wish to extend a warm welcome to returning and new staff, students, and their families!

Something new this year is the addition of Blackboard, an auto-dialer program that will provide you with instant and effective school communication. You may download the Baker Valley USD App from the Apple App Store or from google, and it is free.

Also, we will be kicking off a PBIS Day (Positive Behaviors Interventions and Supports) This is a proactive approach to establishing the behavioral supports and social culture necessary for all students to achieve social, emotional and academic success. (Date to be announced in August)

On October 12, Columbus Day, we will be having our first annual Challenge Day for grades 6-12. We need many adult volunteers for this special event! This special event was created to build connection and empathy, and to fulfill the vision that every child lives in a world where they feel safe, loved, and celebrated. We need your support to help us ignite a movement of compassion and positive change in our district, known as the Be the Change Movement!

We have revised our LCAP (Local Control Accountability Plan) and are continuing to do the good work we began last year, and continuing to refine and build an even better program for this school year.

Very soon, you will be receiving your child's CAASP Test Scores. These tests are tied to the Common Core State Standards. The Common Core challenges students to think independently, use technology, solve tough problems, analyze information and construct well-researched arguments. We are working to give our teachers the support they need to help students master these learning goals. The shift to seamless everyday classroom instruction, however, will take time. Scores from this year's online test will likely reflect this challenging transition.

Also, results from these new tests should not be compared to the STAR program of the past. They measure different things in different ways. Think of this year as California 'hitting the reset button.' This year's results will set a new starting point for student achievement against which we can compare performance for years to come. No student, parent or teacher should be discouraged by this year's scores.

We remain committed to educating all of our students to become World Class Learners in Baker Valley!

Respectfully submitted,  
Ronda Tremblay, Superintendent

## REGISTRATION INFORMATION

### ENROLLMENT PROCEDURES

When you and your child are ready to enroll in grades 6-8, please come to Baker Jr. High School's office with the following:

- 1) Original birth certificate
- 2) Physical Exam
- 3) Dental Exam
- 4) Immunizations Record
- 5) IEP (Individualized Education Plan) if your child was in a Special Education Program
- 6) Most recent State testing results
- 7) Most recent report card

### IMMUNIZATIONS REQUIRED

Every pupil 17 years or younger is required by law to be fully immunized against polio, diphtheria, pertussis/whooping cough, tetanus, measles, mumps, rubella, and hepatitis B. Chicken pox vaccine is required for kindergarten entry or anyone coming from out of state of California. The parent/guardian has the right to sign an affidavit of personal belief exempting his/her child from immunization requirements.

### EMERGENCY CARDS

Emergency cards are required to be on record at the school site for each child. These cards are maintained in the school office and must have a **current phone number** where the parent/guardian can be reached during school hours. Information on the cards will enable the school to proceed efficiently in case of illness, accident, or emergency. Please help us keep these records current.

The law requires that students be released only to those adults listed on their emergency cards. If you desire otherwise, at any time, please inform the office in writing. In the event parents are divorced, court papers indicating legal custody must be shown to the Principal to prevent release to a parent not having custody. Any parent is allowed to visit school, talk with a teacher or school official, and review attendance and academic records unless the school has a court order specifically prohibiting these activities. If you would like to change your emergency card information, you may call the office for a new card at any time. In the event of a school-wide disaster, please remain calm and pick up your child at the designated check-out location.

### FREE AND REDUCED LUNCH PROGRAM

Application for the Free and Reduced Lunch program are available in the cafeteria. You will need a pay-stub for each person in the household who is working. For more information, please contact Bridget Wolford, Cafeteria Manager, at (760) 733-4567 Ext. 112.

## ARRIVAL AND DISMISSAL PROCEDURES

### ARRIVAL/DISMISSAL PROCEDURES

Students who walk, cycle or have their parents bring them to school should not arrive before 8:00 a.m. Arrival and dismissal procedures are put in place to ensure your child's safety when arriving at school in the morning and going home at the end of the day. Teachers are on duty to make sure that certain procedures are followed, but we would greatly appreciate your cooperation to make this process run as smoothly as possible. Students are not dismissed until 3:25 p.m.

### CYCLERS & WALKERS

Bicycles must be parked and locked at the bike racks. Students must wear a helmet while riding their bike to and from school. Students riding bicycles to school must carry a lock and chain suitable to lock their bikes to the bicycle rack. After school, students riding bicycles must walk their bicycles off of campus. When cycling to and from school observe all possible precautions for your safety and that of others. No bike should be left at school overnight and absolutely no riding bicycles on campus. The school or school district accepts no responsibility for stolen or damaged bicycles, and students riding bikes to school do so at their own risk. Absolutely no skateboards, skates, rollerblades, or roller shoes are permitted on campus. Any skateboard or skates on campus will be confiscated and the student's parents will be contacted to pick the item up.

### BUS RIDERS

Our bus riding students convene in the front of the campus in the designated bus zone area. They are supervised and dismissed to buses by adults in an orderly manner.

### PARENT DROP-OFF & PICK-UP

Students who will be dropped off or picked up by their parents convene at the main entrance of the school. Parents will follow arrows to red curb area for drop-off/pick-up and circle around to exit. If parents choose to park and drop-off/pick up their child(ren), they are to enter parking lot and walk to the entrance. Cars **cannot** be parked and left unattended in the pick-up/drop-off area at any time. These students are supervised and dismissed to parents by adult supervision.

Please do not ask your child to come out and meet you unsupervised. Finally, make sure you and your child are clear about changes to dismissal such as after school activities, Minimum Days and other such changes to regular school days.

### PARKING LOT

In order to ensure student safety, please adhere to marked off areas in the parking lot. Please park only in designated parking spaces.

### CHANGING THE WAY YOUR CHILD GOES HOME

If you are changing the way your child goes home on a particular day, you must either send a note to the teacher, or call the office prior to 2:00 p.m. with the information. The office will then relay the message to the teacher. A note from parent is also required if your child is going to ride the bus to a different location other than home. If a note or call is not received, YOUR CHILD WILL GO HOME THEIR REGULAR WAY.

### CHECK-OUT PROCEDURES

If you will be moving out of the Baker Jr. High area, please notify the office as soon as you know when you will be leaving. All textbooks, library books, and other school materials will have to be returned or you will be charged for them.

## ATTENDANCE INFORMATION

### ATTENDANCE

The Baker Valley Unified School District Board of Trustees has established our schools as closed campuses. Students must stay on the campus for the entire day. Students leaving school during the day are required to obtain permission granted only by administrative contact with the student's parents, guardians or emergency contact.

School attendance is compulsory (must be in school) in California until high school graduation or the age of eighteen. Regular school attendance is essential for successful academic achievement. Students who are absent without a valid reason more than three days or are tardy in excess of 30 minutes on each of three or more days in one school year are TRUANT. (Education Code 48260)

Students with excessive absences will be reported to the appropriate authorities.

Failure to comply with California school attendance laws can involve parents in court action.

### TARDINESS

All students late for school must come to the office before going to their classrooms. Students with excessive tardies to classes will be referred for disciplinary action. Baker Valley Unified School District will not excuse notes for tardies for such reasons as oversleeping, transportation problems, etc. Students presenting written verification from a doctor, dentist, or from a court appearance will not be penalized.

### ATTENDANCE NOTIFICATION PROCEDURES

You may receive a written notification alerting you to certain alarming attendance issues. Unexcused absences, excessive excused absences and excessive tardies may all warrant the necessity of sending an attendance notification letter. If the attendance pattern does not improve, a School Attendance Review Team (SART) meeting may be scheduled.

### STUDENT ATTENDANCE REVIEW BOARD (SARB)

According to the Education Code (Section 58260) a student who is absent from school without a valid excuse for more than three days or tardy in excess of thirty (30) minutes on each of more than three days in one school year is truant. Parents are urged to have his/her child in school each day unless they are ill. Parents will be notified by letter if their child has excessive absences or tardies. If the situation is not corrected, an appointment with the principal will be scheduled. Continued tardiness or absences may result in a referral to the School Attendance Review Board (SARB) for action. \*See pamphlet on next page.

### REQUEST FOR HOMEWORK

If your child is absent and you would like to request homework, please notify the teacher early in the morning so that he/she can write up the assignments and gather your student's books. Homework can be picked up after school.

## ACCEPTABLE REASONS FOR EXCUSED STUDENTS ABSENCES

(46010, 46010.3, 48205 Ed. Code)

Student must be given an opportunity to complete work which is reasonably close to, but not necessarily identical to, missed work.

2. Quarantine under the direction of a health officer.
3. Personal medical, dental, optometric or chiropractic appointment.
4. Funeral services for a member of the immediate family (limited to one day in the state, and three days out of state).

## INSTRUCTIONAL PROGRAM INFORMATION

### FIELD TRIPS

From time to time trips to different locations are arranged for the purpose of providing students with first-hand experiences which are related to material studied in the classroom. All field trips are conducted in strict accordance with procedures set forth by the school district. Specifically, such procedures cover:

1. Parent notification/permission: All trips are to be preceded by ample notification as well as parent permission forms.
2. Transportation: All students will be transported in district vehicles. Any student attending a field trip must ride in a district vehicle both on the way to the activity and returning to the school site.
3. Supervision: All trips will be supervised by one or more certificated members of the school staff.

### HOMEWORK

Homework is an important part of your child's education. These assignments are designed to help your child practice what has been taught in school in order to solidify learning. For transitional kindergarten and kindergarten students, activities are planned that involve the parent and student working together. In first and second grades, part of the homework is usually having your child read to you. Homework guidelines 4 to 6 hours per week for grades 6-8. If your child appears to have more work than this amount on a regular basis, please contact the teacher. It is possible that your child is not completing regular assignments in class and is taking them home in addition to homework.

Recent research has shown that students who spend time each night doing homework score higher on assessments and are more likely to be successful as adults. Your support in this area could make a big difference for your child. You can help promote good study habits with your child by providing:

1. A specific time for homework.
2. A quiet place to study.
3. Checking your child's work when it is completed. We suggest you make homework a priority. By working together, parents and teachers can help students develop and practice study habits which will increase their amount of learning.

If your child is absent and you would like to request homework, please notify the teacher one day in advance so that he/she can write up the assignments and gather your student's materials.

### PHYSICAL EDUCATION

Physical Education classes are a mandatory part of California education. Students must participate unless they have registered with the school office a document from their medical doctor stating they cannot participate in physical education courses. All students in grades 6-8 are to dress out in appropriate PE clothing. No jewelry is to be worn during PE or sports events by players. This is a safety issue.

Students cannot go without shirts while at school, including at PE. Students will be issued PE locks and lockers. The lock must be turned in at the end of the semester or the student will have to pay for it. If locker is not emptied out at the end of the school year, the clothes will be discarded and/or donated.

### SHORT TERM INDEPENDENT STUDY

Short term independent study will be issued for students who need to be absent from school for five to ten days. Independent Study must be requested in writing **five school days prior to the absence**. Teachers will be notified in writing and will be asked to give work to the student. The student will not be counted absent provided the independent study contract is fulfilled and all work is turned in. Upon the student's return, he/she should go to the office with all work to be photo copied. If the work is not received in the office, no credit will be given to the student, and all absences will be unexcused. Contact the school attendance clerk for further information.

### LIBRARY / LEARNING CENTER

Our school library offers an outstanding collection of reading material. Our program consists of teaching library skills, encouraging students to read books for personal enjoyment, reading guidance, and using the library for enriching the classroom curriculum. Parents are welcome to check out books.

## INSTRUCTIONAL PROGRAM INFORMATION

### TECHNOLOGY USE

Baker Jr. High students do have the ability to access the internet and learn to search and retrieve information for use with class projects. No student is permitted access to the internet without a signed permission slip from their parent. These permission slips are sent home at the beginning of the school year. While accessing the internet, students are carefully monitored and given structured lessons to follow. A strong firewall is in place to filter most objectionable material.

### TEXTBOOKS

All textbooks are loaned free. If a book is lost or damaged, report it to the office immediately so that steps may be taken to replace it. "Stolen" is no excuse or release from responsibility; the student is still liable for books, which have been checked out to him/her. It is the students' responsibility to keep, use and return books in good condition. All books are inventoried as to their condition and loaned to the specific student. Books and other District property found on campus by students will be turned in to the office. Students must keep their books secure by keeping them in their possession or locked in their lockers.

### CALCULATORS

Students will be allowed to use calculators in some math classes under teacher direction. In some math classes, calculators will be provided and any loss or damage shall be the responsibility of the student and parent. Those students who supply their own calculator shall be responsible for loss or damage.

### COMING TO CLASS ON TIME

All students are to be in his or her classroom on time. We have the expectation that all students will be on time and ready to learn. Students that are not able to be on time will meet with the principal and their parents to discuss an appropriate strategy.

### COMING TO CLASS WITH NECESSARY MATERIALS

Students are required to report to class with the necessary books and materials. Students who fail to bring necessary books and materials may receive a teacher detention and appropriate consequence.

### HALL PASSES

Students are to stay in the classroom during instructional time. Students leaving class must have a signed hall pass issued by the teacher. Hall passes are required for students going to another classroom, library, office and restroom during instructional time.

Students should be dressed neatly and appropriately to participate in classroom and playground activities and for the ever-changing weather conditions. During cold weather, students will usually be going outside to play. A warm jacket or sweater, and a cap or hat will help your child be warm and comfortable to be outside. Be sure to mark the inside of your child's clothing with your child's name for easy identification.

Jewelry or clothing depicting anything illegal is not allowed. Any attire promoting gang involvement or is indicative of gang membership is strictly prohibited. Those items that are strictly prohibited are hairnets, bandannas or handkerchiefs. Because gang clothing styles are constantly changing, the school will reserve the right to address new clothing styles as the need arises. The school dress code will be in effect on field trips.

## GRADING POLICY & PROCEDURES

### GRADING

Baker Jr. High School is on a semester system. Grades are issued quarterly. The two-quarter grades are averaged with a final examination and a semester grade is issued. In order to receive credit, a student must complete the whole semester of a class, or special arrangements must be made through the Principal's office. No partial credit will be issued. No incomplete grades will be given.

### CALCULATING GRADE POINT AVERAGE

1. List all of your grades
2. Convert each grade to a number using the system that follows:  
A = 4; B = 3; C = 2; D = 1; F = 0

If you are taking an Honors Class (Young – Scholars or Advanced Placement), the following system is used for that class only:

A = 5; B = 4; C = 3; D = 2; F = 0

3. Add all of the numbers together
4. Divide the total number of grades by the total number of classes
5. Round off to the hundredth place. Following is an example:  
Grades: A, B, C, D, B, F, C = 15  
15 divided by 7 = 2.14

### HONOR ROLL

If you have a 3.5+ GPA (Grade Point Average), you will be designated as a high honor student. If you have a 3.0 – 3.49, you will be designated as an honor student. Seniors will receive recognition at graduation and/or awards ceremonies.

When any student has not cleared accounts with the school at the end of the year, report cards will not be issued and students will be excluded from year-end activities.

### REPORT CARDS & PROGRESS REPORTS

Report cards will be issued each quarter. Semester grades are an average of the two-quarter grades. Progress reports may be issued the last day of each month. Students who have not been at the school for at least four and one-half weeks will not receive a report card for the quarter.

### ATHLETIC ELIGIBILITY REQUIREMENTS

In order to participate in extracurricular activities, students in Grades 6 through 8 must demonstrate satisfactory educational progress in meeting the requirements for graduation (cf.6146.1 High School Graduation Requirements).

To encourage and support academic excellence, the Board requires students in Grades 6 through 8 to earn a minimum 2.0 or "C" Grade Point Average on a 4.0 scale in order to participate in extracurricular activities.

### STUDENT ACTIVITIES/ELIGIBILITY REQUIREMENTS

All students must achieve an overall C (2.0) grade point average (GPA) or better with no F's in the previous semester to participate in co-curricular activity. This policy includes such things as clubs and student government. The student must maintain a 2.0 GPA based on the quarter grade in order to remain eligible for co-curricular activity. Students must participate in their class fundraisers to participate in the activities earned by the class. (See probation section under athletic requirements)

When any student has not cleared accounts with the school at the end of the year, report cards will not be issued and students will be excused from year-end activities.

## STUDENT GOVERNMENT

Student government provides for student activities, services as a training experience for both leaders and followers, promotes the common good, gives students a share in the management of the school, develops high ideals of personal conduct, acts as a clearing house for student activities, seeks to interest students in school affairs and helps solve problems that may arise.

Student Council is made up of the Student Body President, Vice President, Secretary, Treasurer, Director of Activities, Director of Publicity, Senior Class, Junior Class, Sophomore Class, Freshman Class, 6<sup>th</sup>, 7<sup>th</sup> & 8<sup>th</sup> Grade Presidents.

If you are not wearing this badge, expect to be stopped and asked to go back to the office for a badge.

### **MESSAGES TO STUDENTS**

Occasionally parents may have to leave messages for their children. We are happy to deliver such messages to the classrooms but ask that you call the office **prior to 11:00 a.m.** This will give our runners time to go to the classrooms or fields during PE. You may be asked for personal information over the phone so that we can identify you as the parent/guardian.

For the purposes of this section "community service" may include, but is not limited to, work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. EC 48915

### CIRCUMSTANCES FOR RECOMMENDING EXPULSION

- (a) (1) Except as provided in subdivisions (c) and (e), the principal or the superintendent of schools shall recommend the expulsion of a pupil for any of the following acts committed at school or at a school activity off school grounds, unless the principal or superintendent determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct:

  - (B) Possession of any knife or other dangerous object of no reasonable use to the pupil.
  - (C) Unlawful possession of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, except for either of the following:

  - (2) If the principal or the superintendent of schools makes a determination as described in paragraph (1), he or she is encouraged to do so as quickly as possible to ensure that the pupil does not lose instructional time.
- (b) Upon recommendation by the principal or the superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board of a school district may order a pupil expelled upon finding that the pupil committed an act listed in paragraph (1) of subdivision (a) or in subdivision (a), (b), (c), (d), or (e) of Section 48900. A decision to expel a pupil for any of those acts shall be based on a finding of one or both of the following:
  - (1) Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.
  - (2) Due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district.   - (2) Is not provided at a comprehensive middle, junior, or senior high school, or at any elementary school.
  - (3) Is not housed at the schoolsite attended by the pupil at the time of suspension.
- (e) Upon recommendation by the principal or the superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board of a school district may order a pupil expelled upon finding that the pupil, at school or at a school activity off of school grounds violated subdivision (f), (g), (h), (i), (j), (k), (l), or (m) of Section 48900, or Section 48900.2, 48900.3, or 48900.4, and either of the following:

- (f) The governing board of a school district shall refer a pupil who has been expelled pursuant to subdivision (b) or (e) to a program of study that meets all of the conditions specified in subdivision (d).
